PROCEEDINGS – STATUS CONFERENCE

Defendants are present and out of custody. Hearing held.

The Government updated the Court as to the status of the discovery in this matter. There is approx. a total of 16-17 million pages of discovery in this matter. The Government anticipates receiving another batch of discovery sometime in the next week or so. The Government indicated it is nearing the end of the production of discovery. Counsel confirmed with the Court that it found and ordered the case is complex at the last hearing on 10/15/2018. Counsel requested the matter be continued to allow for production and review of discovery.

The Court granted the request and continued the matter to 4/22/2019.

Pursuant to 18 U.S.C. §3161(h)(7)(A), the Court found the ends of justice served in granting the continuance outweighed the best interests of the public and the defendant in a speedy trial and excluded time from 1/14/2019 through and including 4/22/2019. For the reasons stated on the record, time is excluded pursuant to 18 U.S.C. §3161(h)(7)(A) and (B)(iv).
